

**Welcome to Inspired Exhibitions and Displays Ltd, specialists in Custom Built Exhibition stands.**

We offer a range of services to the exhibition and shopfitting industries, including [custom built exhibition stands](#), commercial interiors and graphic design. We can also manufacture custom built product [display cases](#) and create original eye catching [window displays](#).

Inspired Exhibitions and Displays comes to you with over 10 years of experience within the exhibition and shopfitting industry. From custom built exhibition stands and museum displays to high spec retail interiors and window displays. We will always strive to provide you with high quality workmanship. All of your requirements will be undertaken, from the initial design concept through to manufacture and installation of the final product. Inspired Exhibitions are with you every step of the way.

We offer you a tailor made solution to all your exhibition or retail display needs. All contracts are individually project managed from receipt of the initial brief, through graphic design and development, to manufacture, transport and installation, including where necessary, any disassembly and storage. We only work with highly experienced craftsmen to ensure that any specialist metalwork, glasswork or lighting requirements are of the highest quality, and as all items are custom built to your specification, you are guaranteed to receive a product that meets the highest standards.

We are based in West Drayton, Greater London and have completed work at many exhibition venues in the UK and Europe.
